Home Design Doctor Who TARDIS Kindle Fire Leather Case December 5, 2013 Marty Shaw Design 0 Ebooks have the power to take anywhere in time and space, just like the Doctor's TARDIS, so the Doctor Who TARDIS Kindle Fire Leather Case makes perfect sense. Dr. Who is awesome and so is the Kindle. Bring these two together with the TARDIS Kindle case! This is a super fast knit. (I'm a sllloowwww knitter and it took me less than an afternoon.) It's a reasonably simple pattern as well. As long as you can knit in the round and do simple colorwork you are good to go. It is not sized to be super snug. I left a wiggle room so that it is easy to get in and out and so that you may add a top closure if you wish.
