The relationship between a teacher and student can be a most rewarding and life-enhancing experience, yet it can also be fraught with problems and misunderstandings. A review of the research shows that authors have a lot to say about positive relationships with students. Thompson (1998) says, "The most powerful weapon available to secondary teachers who want to foster a favorable learning climate is a positive relationship with our students" (p. 6). A Lockhart High School science teacher accused of having a sexual relationship with a student has been arrested and suspended from her job. Sarah M. Fowlkes, 27, who has worked for the school ...
